

## Monday Morning Memo – 02.22.2021

Dear *Wider Horizons* Members and Friends,

### **Wider Horizons Events and Information this Week**

1. Join **Susan Adler** and **Bob Anderson** for the every-other-Tuesday all-member Zoom tomorrow at 4 pm. Here is the Zoom address and the questions are attached: <https://us02web.zoom.us/j/83815472659?pwd=ZWdINox1aHprTUpqRotyVjMwZjdnUTo9>
2. **Sue Lerner** and **Debbie Ward** will lead the all-member Thursday morning Zoom at 9:30 am as usual. Sue will send out the questions on Wednesday. All are welcome to both or either of our Zooms! Invite your friends who might want to join *Wider Horizons*.
3. **Bill Lippe** is now coordinating our new member interviews. This week that means **Bob Thomas**. Bob is the husband of **Jeanne Marie Thomas** (recently elected to our Board and past-Exec of NEST) and a great resource for analysis and many other things. See the attached new member **Directory** for Bob's contact information. If you'd like to do the Bob Thomas interview, let Bill know ([wlippe@comcast.net](mailto:wlippe@comcast.net)). And let him know if you are available in general for that task. We have some stalwart interviewers but want to offer everyone this exciting opportunity.
4. While you're reviewing the **Directory**, please check to see that your information is correct. You get a bonus if you can spot the other new member waiting in the wings.
5. **Thursday Morning's Zoom** with **Sue Lerner** and **Debbie Ward** will happen, as always, at **9:30 am**. Sue will send out the questions and the link on Wednesday. Please join us for one or both of these wonderful all-member events!
6. I'll soon be composing the small discussion groups that will gather to talk about death beginning in March. If you haven't indicated your interest already, please let me know. More details in last Monday's *Memo*.

### **Members and Friends Share Recommendations**

1. From **Patti Gorman**, see the attachment about a March event involving poetry and anti-racism.
2. A message from one of our computer gurus about a new phishing scheme related to Linked In is attached. Beware!

3. **Bruce Davis** shared a fascinating column by Heather Cox Richardson on our relationships abroad. Attached.
4. **Denise Lishner** has given us a heads-up about two concerts coming up this next weekend. See Attached.
5. Read next in a special edition of the *Memo* about a call from **Nora Langan** for you to take action and become part of **Campaign** that could destroy the habitats of several indigenous peoples and have other harmful effects. Nora says, “Yesterday, we (local Water Protectors, and 350 Seattle) did street theatre protesting at four Chase banks and Liberty Mutual Insurance headquarters (biggest funders and insurers of Pipeline 3).” Nora is the tree (second from right).

Yours,

Denise

P.S. I had too much material for this issue. Look for your non-time-sensitive contribution in next week's *Memo*.
