

Monday Morning Memo – 08.02.2021

Dear *Wider Horizons* Members and Friends,

Wider Horizons Events and Information

1. This Thursday's **All-Member Zoom** will go on as always at **9:30 am**. Questions and a Zoom link will be sent out to you on Wednesday and **Debbie Ward** and a mystery host will moderate in **Sue Lerner's** absence.
2. From **Sue Lerner**: "This Friday, August 13, at 3 pm we will meet at Old School Frozen Custard ([1316 E Pike St](#)) to start our Ice Cream Crawl. Or join us as we crawl to Bluebird ([1205 E Pike St](#)) and then Frankie & Jo's (1010 E Union). Please join us for some yummy tastes!" RSVPs appreciated... slerner_1@msn.com
3. **John Barber** wants you to know he has cancelled the planned memorial for **Kate** that was to have taken place on Saturday, August 14: *I will reschedule when there is no indoor mask mandate or recommendation and when there is no chance of wood smoke from forest fires. However, I have tentatively reserved at CASC on **October 22 and 23** for a two-day event -- Kate's art/open house on the Friday, and official memorial on **Saturday, October 23**.*
4. If any new members are interested in joining the **Somesuch Players** (our play reading group), you can contact **Victoria Bestock**... dancervictoria@gmail.com
5. Watch for our new *Storytelling* flyer – it will be in your inbox soon announcing the September date and requesting moderators and storytellers.

Members and Friends Share Recommendations

1. **Wren Campbell** is looking for a companion for a short trip sometime in the fall. *If you'll drive, I'll buy gas. I'm open as to date. I'd love to visit the Oregon or Washington coast but am flexible about destination. Contact me by phone or email: (847) 830-3978 wingedwrenflys@yahoo.com*
2. **Ellen Berg** would like to share information about Telos, a continuing education program at Bellevue College. *Telos just sent around this new, improved website. I think it is a resource WH might publicize, since so much is online these days – the clubs and talks as well as the courses might be of interest to some WH members. I also liked the Discounts page. This is their website: [TELOS Student Organization | Educational Program for Retirees. Lifelong Learning. Lifetime Friends. \(bellevuecollege.edu\)](#) and attached is some current information with links about specific offerings.*

3. If you make, roll, cut your own pasta, contact **Rick Grossman** at rickgrossman@live.com
4. If you're in the market for an air purifier, see the attached information from **Jeanne Marie Thomas**.
5. And from our colleague Teresa Tam (PNA Village): *The Greater Seattle Villages are being given a wonderful (free!) presentation about aging solo on September 21st from 5:30-7 pm PT. Attached is a flyer with the details. It is open to all Greater Seattle Village members, volunteers, staff, and board members. I have attended one of Linda J Camp's presentations, and it was great with a lot of eye-opening information. **Please distribute the attached flyer to your villages and I hope to see you there!***

Yours,

Denise
