Wider Horizons Events and Information

Book Group tomorrow (Tuesday, May 10) on Zoom --
<https://tinyurl.com/2p9kbwbe> We are discussing Stephen Greenblatt's *The Swerve: How the World Became Modern*. Discussion to be led by **Chris Morris**.

1. Thursday's **All-Member Zoom** goes on as always at **9:30 am**. Questions and a Zoom link will be sent out to you on Wednesday by **Sue Lerner**.
2. From **John Barber**: *I am planning a memorial and watercolor show to honor my wife Kate on Saturday, May 28, at the Central Area Senior Center, 500 30th Avenue South. We will open the building at 11 am for a show of her watercolors, then at 2 pm we will have a memorial program. Wider Horizon members are invited. Please RSVP to help determine the amount of (finger) food we will provide. Contact John at barber-osa@comcast.net if you'd like to help.*
3. **Bill Lippe's** upcoming house concert (*The Black Feathers*) is on May 21. See the attachment for details.
4. From **Zack Glass**: *Not sure if you know this or not but I am a CPR instructor with the American Red Cross and do trainings at work for people. Wondering if folks might be interested in me offering a CPR class at some point. I could do either just an information class covering all the materials basically for free (it is about \$5 each for the training kit with gause/gloves, etc. or people could bring their own), or if people are looking for an actual certification the red cross charges \$43/person to issue the certificate.*
5. **Rick Grossman** says *I overbought seeds and starts. If you'd like some, email me at rickgrossman@live.com or text/call me at 848 702-1018....A list of the available product is attached.*
6. I still have a lot of postcard stamps if anyone needs them.
