3. Two tips from **Ellen Taussig**:

Don't know what to do with stuff you no longer want? Matt Johnson, of Mr. Johnson's Antiques in Montlake, will come to your house to appraise, buy or just advise about any object about which you have questions. He is extremely personable and has extensive knowledge in almost every category. Best way to reach him is by phone: 206-322-6033. His shop is at 2315 24th Ave. E., 98112

Oral History -- I have found a PhD student in history who is interested in oral history. I had my late husband recorded and transcribed and the family is so grateful for it. Responding to thoughtful questions by a good interviewer is so much easier than trying to retrieve your memories on your own. So I am having myself recorded. All you have to do is talk! Jesse Calavari is an excellent listener and highly focused. He is charging a reasonable fee. Let me know if you want more information. ejtaussig@gmail.com

Yours,

Denise
