Conversation Café	Conversation Cafés were designed as a gift to the world. The hope was that this method and conversations using the CC method would spread “with integrity and fidelity”—stay both true to form, yet give hosts the maximum freedom to adapt it to their situation.	The practice of hosting can be very profound. It is a dynamic, honest, humble process of staying present to your own reality while drinking in the reality of everyone else at the table.	https://www.conversationcafe.org
