

Join us for Welcoming Week this year from September 8-17!

Through Welcoming Week, organizations and communities bring together neighbors of all backgrounds to build strong connections and affirm the importance of welcoming and inclusive places in achieving collective prosperity.

Over the past decade, Welcoming Week has served as a moment for celebration, reflection, and mobilization for communities to become more welcoming and inclusive places for all who live there, including immigrants. [In 2022](#), we witnessed 450 events taking place across the world, led by people who believe and proclaim the value of being welcoming to all people, no matter where they come from.

Whether you are a nonprofit organization, local government entity, a corporation, or simply an individual looking to advance welcoming in your community, here are some ways you can get involved:
