

Jan Weigle and her husband Carl moved to Mercer Island from Hillsboro Oregon at the very end of July 2023 into one of the Hadley apartments, and have been happily exploring the neighborhood since then. Jan is a portrait artist with long experience, and has worked in several art media. She has settled on watercolor painting as most compatible with space constrained apartment living.

Tanya Su has called Bombay, Washington D.C., Seattle, Shanghai, and London her home at various times in her life, and for now, there are no plans to move. Her interests range from watercolor painting, working with people living with dementia, playing the ukulele, learning Mandarin, nurturing plants and her two teenagers, and most recently, training for a triathlon. She is very excited to be a part of this community!
